ROUND-UP

NUMBER ONE WEST JUNIOR HIGH NOV. 23, 1966

COUNTY GOVERNMENT DAY

By Anne Lawerence

On November 10, twenty-four ninth grade students from West went to Ann Arbor for County Government Day.

The program started at Ann Arbor High School with an assembly. Here, students from all over the county, met the different officials of our county government. After the program the students had a police escort to the Washtenaw County Building. Students were put in groups, learned the functions of the different offices, and took a tour of the building. At noon, everyone went to the American Legion for lunch. After lunch the students returned to Ann Arbor High to witness a real trial, Judge William Breakey presiding.

It was a very interesting and informing day for all the people involved.

CHEERLEADERS LEAD WEST'S PEP

by Julie Butler

The cheerleaders work hard to build up our school spirit. To prepare for a hard year of cheering, they went to cheerleading camp for four days to practice cheers. There, they meet other cheerleaders and learned new cheers. They practice once a week on Thursdays until 4:30 p.m.

This week the nineth grade cheerleaders were interviewed.

Jeanne Cazier, co-captain, said that try-outs were held last May. To make cheerleading you have to have a "C" or better average and your parent's permission. You should be able to do the splits, chartwheel, two cheers by yourself, one group cheer, and the Russian splits. Her advice is to do your best with a smile and lots of pep.

Gail Burrell, co-captain, likes the outfits they wear, but would like a bigger "W" on the front of the sweater. She said the most important thing a girl can work on if she wants to become a cheer

EDITORS AT WORK

WE'RE ALL BEHIND YOU!

by Michele Candiotti

Well, the newspaper is on once again and the staff is all smiles and ready for a successful year. All we hope, is that you are ready, too. It's going to be a tough job and we are going to be really busy getting the paper out each month, but we hope we have the backing of every teacher and student in the school.

The staff would like everyone to support them and their results, and not to compete with them. We will do the best job we know how, for you, just as long as we know you are doing the best job you can for us by submitting ideas, questions, and remarks, so we know just what it is you want to read and what it is you want improved. We are all open for comments, whenever you wish to give them. So please, lets make this paper a success and not a "one issue a year affair." You stick with us, support us, and buy our copies and we will continue to print the best school paper in Ypsilanti; or if everyone helps, in Michigan!

We are depending on you, the student body for our success. Are you with us? We sure hope so. Together, we can't miss!

In reply to the many questions about how tall Mr. Lambros is, Action Line found out that he is 5 feet 4 inches tall.

EDITORIAL

by Annette Callis

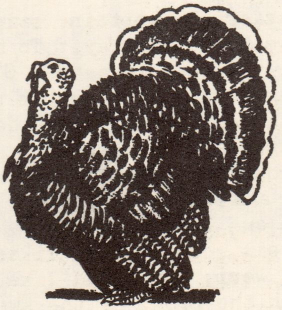
It is time again to think of all our blessings. Many times we fail to realize how thankful we should be. Here in America we often are tempted to take things for granted because we have always had them.

But, think a minute of the children in Communist lands, where only a select few receive higher education and where they are taught only what their leaders want them to know. Think of the millions of people who die from stravation in India; of the men who die on the battlefields of Viet Nam; of the squalor in Hong Kong; the revolutions in Latin America; of the ignorance of the tribes in Africa.

We have so much to be thankful for. With Thanksgiving season here, we have a lot to think about. Think of those who have gone without and thank God you have always had clothes, food, a chance to obtain an education; and that you live in a democracy.

Most students think of Thankgiving as a vacation. They never really stop to realize what an important day it is. It's a time to thank God for all the wonderful, beautiful things he has given us.

So, this November 24th, before you sit down to your turkey dinner, think of the children who have never tasted turkey and never will. On second thought, don't wait till November 24th to thank God for your blessings. Thank Him everyday of the year.



GIRL SCOUTS

Girl Scouts- Cadette 457

By Lorraine Holman

The officers of this troup are as follows: Mrs. Kemp, our leader and Mrs. Basler, our co-leader. We have about three troup mothers and they are Mrs. Hall, Mrs. Davis, and Mrs, Heater. Diantha Davis is our treasurer and Vanesse Echison is our secretary.

This troup consist of both 8th and 9th graders of West Junior High. Our meetings are every Monday night at West in the seventh grade division.

LIBRARY CLUB

By Cathy Christman

The library club has just had election results and here they are; president Michele Boik, Vice president-Bill Newton, tresure-Vicki Mann, secretary-Terry Adams

Seventh graders who have joined the library staff will be learning how to work behind the desk.

LATIN CLUB

By Debbie Becker

The Latin Club met for the first time on November 9th. It was a successful meeting with 25 members present. They picked Kirt Profit-Consul, John Fulford-Vice Consul, Grant Walters-Quaestor, and Eric Olson- Scribus. They discussed having a Roman Banquet, money raising projects, and a refreshment committee was chosen: Debbie Meyer, Debbie Becker, Jeanne Cazier, Pat Buck, and Jhon Wilson.

SPANISH CLUB

by Anne Lawrence

The Spanish Club has twenty members and is sponsered by Mrs. Mays. The club meets every other Thursday in room 408, from seven to eight o'clock. Officers of the club are as follows: President-Gary Jentzen, Vice President-Chuck Helpie, Secretary-Jim Williams, Treasurer-John Farris.

FRENCH CLUB

by Shawn Ball and Marlene Postiff

The first meeting of the French Club was held on Friday, November 11, 1966. The first order of business was to elect officers for the following year. The following people were elected: President-Annette Callis, Vice President-Scott Nelson, Secretary-Marlene Postiff, Treasurer-Shawn Ball, Social Chairman-Claudia Baggett.

The first activity planned is a White Elephant Sale that will be held in the near future. Other activities planned are to host an International Dinner with the Spanish and Latin Clubs, have a hay ride, a bake sale, and a car wash in the spring.

The dues will be ten cents a meeting until enough money is collected in the treasury. The meetings will be held every other week after the club gets organized.

The next meeting will be held Friday, November 18th from 3:20 to 4:30.

TUNE UP THE STRINGS

by Debbie Keene

This year our orchestra and band have a new director, Mr. Ditmar. Mr. Ditmar along with Mrs. Weiss will lead our orchestra through this year. With the coming of the seventh graders, our orchestra now consists of eighteen members.

Results of our trip to the Pontiac Clinic were that some of our members made tap orchestra.

We are hoping to give a Christmas concert, which will also include the band and chorus.

50 "HE-MEN OUT FOR WRESTLING

by Nino Mustazza

Mr. Lambros, an experienced wrestler, will be the head coach of West Junior High School's wrestling team.

He was on the Ypsilanti High School State wrestling team in 1961 and 1962. In 1962 he was the co-captain.

About 50 boys all shapes and sizes are going out for the team. The boys began practicing Tuesday, November 8th. by doing body building exercises, and by learning and practicing wrestling holds.

Mr. Lambros thinks he has a few excellent wrestlers, but he says it's a little too early in the season to know for sure.

WEST IS JUMPING

Several pieces of equipment were recently purchased by the department of Physical Education. Among them are jumpropes and a safety belt. The jumpropes each costing $1.25 and the safety belt approximately $7.00.

The safety belt consists of a wide padded belt that fits around various sizes of waists, and two ropes. Each rope is connected at opposite sides by a swivel hook. It is presently being used by Mrs. Flesner and Miss Ward's gym classes. Two people each hold a rope and allow the person in the belt to perform several different stunts. Among the stunts are; handsprings,,front and back flips, forward and backward walkovers. As a result of this safety belt there are fewer injuries and many people are adding to their skills.

The jumpropes are being used in the boy's gym classes and at wrestling practice. By jumping the ropes the boys improve their leg muscles.

WEST BEATS EAST... AGAIN

by Mike Hilar

The undefeated West Junior High School's Mustangs played the East Junior High School's Vikings at shadford field. Gary Jentzen had the most yards rushing for West with 86 yards. The total rushing for West was 249 yards and East with only 42. Tom Bower had the most yards in the air for West with 54 yards. The total passing for West was 129 yards and East with 106 yards.

West beat East by the score of 33 to 6.

THE LOSERS OF THE EAST-WEST GAME

By Leah Bass

All of us know the winning side of the East-West game. In order to get both sides of the story Leah Bass interviewed Mr. Hiatt, the coach from East.

We quote Mr. Hiatt on saying, "I think your team was extremely good. My only wish was that if we had had our number one quarterback, maybe we could have given West a better fight. Our number one quarterback suffered a broken finger in the first quarter. But, I can't take anything away from West. Wilson did a fine job."

Note: John Wilson was West's star quarterback.

BASKETBALL?— DEFINITELY

by Steve Burandt

Mr. Wagner has been West's basketball coach for seven years—ever since West has been here. This year there will be three basketball teams, one for each grade having 14 boys on each team.

Mr. Wagner said that West will have a good team this year if the players work hard. A schedule of the games will be published in the next issue of the Round Up.

WORDS FROM THE WISE

by Karen Buccos

"A penny saved is a penny earned."--Would you believe--A penny saved is hardly worth the effort?

And so begins a collection of quotes and adages by those renowned and even unknown. All of them have a great understanding of our world and something none should be without, s sense of humor.

"Have a place for everything, and keep the thing somewhere else. This is not advice, it is merely custom."

"Let us be thankful for the fools. But for them the rest of us could not succeed." Mark Twain

"Every man has a perfect right to his opinion, provided it agrees with mine."

"Live within your income, even if you have to borrow money to do so." Henry Weeler Shaw.

"It is better to be thought a fool than to open your mouth and leave no doubt.

"To his dog, every man is Napoleon; hence the constant popularity of dogs.

PET PEEVES

By Chris Heater

1. To get a new flag because the one they are using now is all wrecked.
2. Being aboe to move around freely in the lunchroom (to a certain extent).
3. More variety in lunches.
4. The Student Council should do something about the suggestions in the Suggestion Box.
5. To have more clubs so the kids can get interested in them.
6. More fun nights.
7. Less homework. (Teachers don't realize that other teachers give homework too, and really give you a lot!)

FADS AND FASHIONS

by Debbie Becker

We have always had stripes on prison shirts and barber poles, but where we're putting them now is different. Striped sweaters make a dull skirt zing, striped stockings make legs swing. If you wear them right they can make a thin girl look fat, and a fat girl thin. Race them down the side of a dress or skirt to give you the thrill of drag racing. Stripe them up and down for a roller coaster ride, around and around to make someone dizzy over you. Stripes are in, but not on your skin.....?!

ORCHIDS AND ONIONS

by Marlene Postiff

Orchids to....

All gyn assistants. "You've done a great job," said Mr. Perriello.

David Rich for his courage in standing up in history to tell his views on the previous elections.

All, who participated in County Government Day.

And last, but not least, Mrs. Hall for her time in helping and sponsoring the Round Up.

Onions to.....

Bruce Clark, Millie King, and Bob Murray, for their wonderful talent of chewing gum in school.

The many who have dropped their trays in the lunchroom.

And Mr. McAuliffe for trying to start up a newspaper to compete with our! (You'll never succeed!)

CONCERT BAND

By Lura Wolland

There are 85 students in West Junior High's concert band, under the direction of Charles Dittmar. They have many capable officers in the band.

The president of the band is Bob Murray, vice president Pete Kingston, secratary Terri Oosta, and treasurer Jim Vogelsberg

The eighth grade representatives are Kari Kortesoja, and Rick Dickerman. The libraians are Ingrid Sponberg and Wendy Barich.

PROBLEMS?

By Cara Sroges

Dear Madam Piggle Wiggle,

This is quite a problem. I hope that it doesn't inspire fright in your readers so that you don't want to print it.

Every time I come to my locker and open it, I hear a scurring noise. (Sometimes it gurgles.) Of course, I don't know what it is and this is what worries me. The only hint I can offer is that sometimes there will be MORE THAN ONE noise. I would appreciate your immediate advice on what to do.

Haunted Gurgle(s)

Dear Gurgle(s)

OIL YOUR LOCKER IMMEDIATELY! If the above solution does not work, your stuck but PLEASE inform your friends about this so, they can innoculate their lockers. These gurgles are CONTAIGOUS.

Dear Madam Piggle Wiggle,

I eat to many carrots. I love them but my parents say I absolutely must stop eating carrots and eat green vegetables. How can I get them to let me eat carrots?

Carrot Lover

Dear Carrot,

Dye your carrots green!

Dear Madam Piggle Wiggle,

My father just bought a new carpet for my bedroom. My mother just bought me a pair of shoes that really clash with the rug. It looks terrible. Help me, don't advise a clash party.

Not a Clash

Dear Not,

Take off your shoes outside the door. Buy a dog and train him to watch the shoes so that nobody will push them into the room.

CLASS NEWS

7th

by Gretchen Woods

Even though there was a blizzard outside of West Junior High, inside there were many cherry seventh graders enjoying their first fun night!

There were many comments about the fun night. Gary Ziegler said,"You can come to the fun night and waste the whole night."

Dana Hershlieb said,"There were a lot of cute boys there!"

8th

by Norma Gillis

Home Economics is a must course for eight grade girls. For the boys it is Industrial Arts.

The first day of school, the girls were separated into two groups with one group being instructed by Mrs. Collins in cooking, and the other by Miss Moore in sewing.

Miss Moore's class was instructed on how to make an apron. They worked on the aprons for approximately nine weeks, and when completed, the aprons were graded.

Mrs. Collins' cooking class baked several types of cookies along with a breakfast study and cooking terms.

November 7th, the girls switched classes so then in approximately another nine weeks they will change again.

9th

by Michele Boik

Many nineth grade girls signed up in the office a few weeks ago for the Drum and Bugle Corps. Tryouts will be soon and an announcement will be made about which girls qualified. Only girls from East and West combined can be accepted. Good Luck West Girls!

Among other things that have happened in the nineth grade are the French Club, the Spanish Club, and the Latin Club.

Many nineth graders also participated in County Government Day.

CHEERLEADERS

continued from page one

leader is her pep and smile.

Marlene Postiff, alternate, said that you should be able to take responsibility as a leader to become a cheerleader. She thinks the alternates should be at all games in case one of the regular cheerleaders couldn't make it and should be in the crowd leading the spirit and cheers.

Juanita Winston's , alternate, favorite cheer is "You're lookin' Good. She likes being a cheerleader because it is a good experience. The most important thing a girl can work on, Juanita feels, are her pep and stunts.

Kim Bovee likes being a cheerleader, too! She wants more pep assemblies because it gets everyone in the spirit for a game. She says there is a lot of spirit in our school because everyone participates.

Next time you will hear from our 8th grade cheerleaders: Linda Burrell, Debbie Palmer, Alice Calder, Debbie Miller, and Michele Ouellette.

Why can't West have more football games. Most of Ypsilanti's Elementary schools have more games than we do!
Cheerleader

Action Line reports that Mr. Townsend said the cheerleader should find out more about the elementary school's sports program. They do not have a interscholastic sports series like West does.

To the Reader,
If you wish to send a letter to the Round Up asking a question or giving a suggestion, please take it to room 207.

SING OUT!

by Chere Semple

This year our 8th and 9th Grade Chorus has 18 members--all girls (you fellas don't know what you're missing!). There are more 8th graders than ever before, which should mean a good Chorus next year too.

This year's Chorus is planning a Christmas program for the parents at night sometime in December.

The Chorus is not just for fun, as most people think it is. We do have lots of fun but we have to work as you do any class.

Mr. Payne says the Chorus this is pretty good, but most of the Chorus members don't like the way they often sound. Maybe with a good word and a boost from the other students they can get that school spirit into their voices!

WOULD YOU BELIEVE?

Would you believe Mr. Latta discovered America?

Would you believe 1st hour Home Ec. never burns anything?

Would you believe Mr. McElhaney has never fallen out of his chair?

Would you believe Mr. Perriello failed 7th grade Phy, Ed,?

Would you believe Mr. Townsend wears a taupe?

Would you believe Mr. Payne is on a diet?

Would you believe more than 3/4 of the faculty members are Civil War Veterens?

HOMEROOMS ON THE MOVE

by Karen Buccos

Mr. Berry's homeroom (305) has, with the assistance of Mr. Cohen, begun class meetings. Elections were held and the results were as follows: President-Danny Gaylord, Secretary Diane Miller, Treasurer Tom Thrun.

Their latest projects have been a tutoring service, where students who wish
